Sub: Welcome to IUCN family!

Dear Mr. Srivastava,

Greetings from IUCN India!

IUCN (International Union for Conservation of Nature) is a membership Union uniquely composed of both government and civil society organisations. Government of India is a member of IUCN and is represented by the Ministry of Environment, Forest and Climate Change and in addition we have 40 other members. IUCN India works with numerous stakeholders including governments and private sector on biodiversity conservation and wise use of natural resources. In addition, IUCN also works on cross cutting areas viz. nature-based solutions and engaging businesses for harmonising conservation and economic development and address challenges related to poverty alleviation, food security and climate change.

As per your application submitted to IUCN, the council has approved your membership. The details of the same can be accessed on the portal. It is our pleasure to welcome NCCF- Network for Certification And Conservation of Forests to IUCN family.

We look forward to your active participation and valuable contribution to nature conservation.

With regards,

Dr. Vivek Saxena

Country Representative
